

## Malta and Gozo Package

This package is in collaboration with Stones Hotels Ltd, San Andrea Hotel in Gozo and Harbourair Seaplanes.

The package is based on a seven night stay on the Maltese Islands and gives you the opportunity to discover the diversity between our two main islands, Malta and Gozo. With the collaboration of Harbourair Seaplanes you will reach the island by means of the Seaplane instead of the local ferries. This will give you the opportunity to see the beauty of Malta from Air, including the four main islands, Malta, Comino, Cominetto and Gozo, and travel between the islands in the most convenient and efficient way.

The Diplomat Hotel in Sliema and San Andrea Hotel in Xlendi have both excellent locations on the promenades and excellent locations to travel around the Island.

The package consist of four nights accommodation at The Diplomat Hotel Malta and three nights at San Andrea Hotel.

At both hotels you will be accommodated in a twin side sea view room.

The accommodation ideally will be reserved first two nights at The Diplomat Hotel , three nights at San Andrea hotel and then two nights once again at The Diplomat Hotel. This is advisable due to late arrivals and other schedules at Malta International Airport.
